

KSI Remote Learning (Year 2)

Children in KSI are set 3 hours of remote learning per day. Below is a suggested guide as to how much time should be allocated to each activity, where possible. A set timetable will not work for everyone and each day can work out quite differently. This is flexible so please do what is manageable and works best for your family. Please don't hesitate to get in touch if you need any further help with anything.

Suggested time allowance:	Monday	Tuesday	Wednesday	Thursday	Friday
15 minutes	Spelling Shed	Oxford Owl	Spelling Shed	Oxford Owl	Spelling Shed
45 minutes	English Each day there will be a reading comprehension, spelling task, grammar task, handwriting practice or a short writing task.				
15 minutes	Mental maths Each day there will be a game, song or activity to help your child to develop their counting skills				
45 minutes	Maths Each day there will also be a maths lesson/task. It is likely that the same content will follow across the course of the week (for example, a week on measurement)				
30 minutes	Each day there will be a lesson for one of our afternoon subjects: R.E , Science, Topic, Art, Computing or PSHE				
30 minutes	Choice activity Complete a pick and mix activity, a PE lesson, Joe Wicks workout or Cosmic Kids Yoga (try to vary your choice throughout the week)
